BILATERAL MEETINGS

Tuesday 14:00-18:00

DESCRIPTION The Enterprise Europe Network helps businesses innovate and grow on an international scale. It is the world's largest support network for small and medium-sized enterprises (SMEs) with international ambitions. The Network is active in more than 60 countries worldwide. It brings together 3,000 experts from more than 600 member organisations – all renowned for their excellence in business support.

Member organisations include:

- technology poles,
- innovation support organisations,
- universities and research institutes,
- regional development organisations,
- chambers of commerce and industry.

Individual businesses can't become Network members, but they can enjoy the many services offered. The Enterprise Europe Network can help your business find the right international partners to grow and expand abroad.

The Network has the reach and expertise to find the right partner(s) for you to, for example:

- cooperate in research and development projects,
- manufacture or distribute your products,
- access new markets, and
- find the technology you need to drive innovation in your business.

AREAS OF ACTIVITIES RESEARCH AND DEVELOPMENT

Offer

GET IN TOUCH

Reach out to your local Network contact point. An expert will:

look at your needs and goals

assess if you are ready for international partnerships

advise you on how to better prepare for internationalisation (see 'Advice for international growth')

identify the best way for you to find a partner that matches your needs.

COOPERATION OFFERED

Offer

SEARCH FOR POTENTIAL PARTNERS

Network experts will search potential partners for you, saving you time and money. They will:

get in touch with the right experts in more than 60 countries

leverage the Network's online database of business opportunities

arrange for your participation in international matchmaking events and trade missions

Partnering database

The Network manages Europe's largest online database of business opportunities. It contains

thousands of business, technology and research cooperation requests and offers from companies and research and development institutions. The database is accessible for free. You can subscribe to receive alerts on new requests and offers.

Take a look at current opportunities or register for personalised email alerts.

Brokerage events and trade missions

The Network sets up fast and effective business matchmaking events at international conferences and trade fairs. It also organises international trade missions which lead to many successful partnerships thanks to thorough preparation and local knowledge.

Take a look at upcoming events.
